Skills

Programming Languages & Tools

Python, HTML5, Java, JavaScript, C, Git and Windows

Interests

I enjoy challenging myself to solve problems using my computer programming skills. I like learning about new technologies that will help me improve my studies of computer science and engineering.

I enjoy video editing and sound engineering. Playing guitar in high school band programs has also given me a passion for playing and creating music.

My favorite activity is gaming. Games that require figuring out solutions are my favorites.
